Dear Honorable Senator Shelby

The evidence is overwhelming and damning. Citizens of this country demand justice and fairness when investing for our childrens' college and retirement. Certain hedge funds and brokers are engaged in the wholesale looting of corporations at the expense of private investors.

When will the problems be fixed? I want ACTION, not more excuses.

Please listen to the three Robert O'Brien interviews archived at the following link.- if you haven't already done so.

Enough of ignoring the issues.

ENOUGH!

If you can't take action to stop his corruption then you are Senator Fraud, part of the problem.

Sincerely, Robert W. Hallam, private investor
